Power CoQ10

Available in 60 count chewables, 30 count capsules, & 120 count softgels

A **Coenzyme Q10** supplement for cardiovascular, periodontal, and antioxidant support. It is a vital nutrient for the formation of Adenosine Triphosphate, the basic energy molecule used by every cell.

Power CoQ10 for Energy
CoenzymeQ10 is found in the mitochondria, where energy is made. Hundres of mitochondria are present in each cell. CoQ10 is found in the highest concentration in "high energy" organs such as the brain, heart, muscles, liver, kidneys, and pancreas.

Power CoQ10 for Antioxidant Support
Coenzyme Q10 is an important antioxidant and is recommended to support immune system, heart, liver, and gum tissue functions.

Recommended for:
- Periodontal health
- Recurrent or persistent mouth and gum concerns
- Enhanced energy production for a healthy immune response
- Cardiovascular support
- Carbohydrate metabolism
- Oxygen utilization
- Increased circulaiton, physical energy, and stamina.
- Liver support and detoxificaiton processes
- Geriatric patients because levels of CoQ10 in the body decline with age.

Healthy individuals who consume a well-balanced Mediterranean type of diet are able to synthesize coenzyme Q10. unhealthy individuals, those on cholesterol lowering medications, hypertensive medication, and those consuming an inadequate diet may not synthesize CoQ10 in sufficient quantities. Many medications including statins have been shown to inhibit CoQ10 production, leading to adverse drug reactions including fatigue, muscle pain, muscle loss, and memory loss.

It is highly recommended to supplement with 100-200mg of CoQ10 per day for any individual taking cholesterol, anti-hypertensive, or cardiovascular medications.

SUPPLEMENT FACTS (CHEWABLES)

Each chewable wafer contains:

Vitamin E (as d-alpha Tocopheryl Succinate)	5 IU
Coenzyme Q10 (Ubiquinone)	100 mg

Other Ingredients: mannitol, silicon dioxide, stearic acid, citric acid, natural orange flavor, and natural pineapple flavor.

Suggested Use: As a dietary supplement, take 1 chewable wafer daily with a meal, or as directed by your healthcare practitioner.

SUPPLEMENT FACTS (ENERCOQ10 600 MG)

Each chewable wafer contains:

Vitamin E (as d-alpha Tocopheryl Succinate)	5 IU
Coenzyme Q10	300 mg
N,N-Dimethylglycine (DMG)	300 mg

Other Ingredients: mannitol powder, xylitol, stearic acid, silicon dioxide, vegetable stearate, citric acid, natural pineapple flavor and natural orange flavor.

Suggested Use: As a dietary supplement, chew 1 wafer daily or as directed by your healthcare practitioner.

SUPPLEMENT FACTS (SOFTGELS)

Each softgel contains:

Beta Carotene	2334 IU
Vitamin E	100 IU
Coenzyme Q10 (Ubiquinone)	100 mg

Other Ingredients: rice bran oil, gelatin, glycerin, purified water, yellow beeswax, annatto extract, titanium dioxide.

Suggested Use: As a dietary supplement, take one softgel daily with a meal or as directed by your healthcare practitioner.

SUPPLEMENT FACTS (UBIQUINOL)

Each liquid filled capsule contains:

Ubiquinol (Kaneka Ubiquinol™-Active form of coenzyme Q10)	100 mg

Other Ingredients: medium chain triglycerides, gelatin, glycerin, ascorbyl palmitate, purified water, beeswax, soy lecithin, and annatto extract.

Suggested Use: As a dietary supplement, take one softgel daily with a meal or as directed by your healthcare practitioner.

Warnings: If pregnant or nursing, consult your healthcare practitioner before taking this product.

Contains: Soy
