NUTRITIONAL FRONTIERS

Thyro Complete

Available in 60 and 120 count Vegetarian Capsules

Thyro Complete is a dietary supplement to support healthy thyroid function and physiology.*

Thyro Complete:
A thyroid glandular formulation that blends hypothalamus, pituitary and thyroxine-free thyroid glandular tissue with the most clinically significant nutrients and branded, clinically supported extracts of ashwagandha and forskohlli for optimal thyroid health.*

Glandular Tissue:
Glandular tissue, when applied to support a specific organ, can provide balance for multiple factors, including nucleic acids and organ-specific enzymes, which help promote the growth and maintenance of organs and glands.*

This formula contains glandular tissue that relates directly to the thyroid and higher level glands which dictate the function and activity of the thyroid gland, including the pituitary and hypothalamus.

Minerals:
Iodine (Thorvin™) is a deep water exclusive Icelandic kelp, Thorvin's Laminaria digitata is higher in total nutrients, particularly iodine, potassium, and specific amino acids. A highly bioavailable form, Thorvin's Asco Iodine content averages 780 parts per million (ppm), the highest on the market.

Zinc (TRACCS™) is essential for the conversion of T4 to T3 and also lends itself to the integrity and functionality of the T3 receptor itself.

Selenium (Albion™) is required for thyroid hormone production, activation and metabolism. It is an essential component of deiodinase enzymes which convert T4 to T3.

Copper (TRACCS™) plays an important role in the production of thyroid hormone and also acts as an antagonist to Zinc, helping to promote a balanced mineral profile.*

Amino Acid:
L-Tyrosine is a building block for the production of thyroid hormone. Thyroxine is a tyrosine-based hormone, which is also comprised of iodine.

Herbal extracts:
Sensoril® Ashwagandha: Recent studies have indicated that in addition to the support provided by Sensoril® for healthy cortisol levels (which will in turn support a healthy level of T3 hormone) it may also support T4 production directly. (1)

Coleus Forskohlii (ForsLean® Brand) Extract: Supports thyroid function directly and also supports lean body mass through ergogenic activity.* It stimulates AMP (adenosine monophosphate), which then stimulates metabolism for greater fat burning.*

SUPPLEMENT FACTS

Available Bottle Sizes: 60 or 120
Amount Per Serving: 2 Capsules
Servings Per Container: 30 or 60

Amount Per Serving	
Iodine (Thorvin™)‡ (Ascophyllum nosodum)(L)(Kelp)	130 mcg
Zinc (as Zinc Bisglycinate Chelate) (TRAACS™)	10 mg
Selenium (as Selenium Glycinate) (Albion™)	250 mcg
Copper (as Copper Bisglycinate Chelate) (TRAACS™)	0.1 mg
L-Tyrosine	450 mg
Thyroid (Bovine, New Zealand, Freeze Dried)	200 mg
Sensoril® Ashwaghanda Extract (Withania somnifera)(Roots and Leaves) (Std. to 10% Withania glycosides)	150 mg
ForsLean® Coleus forskohlii Extract (Root)(Std. to 10% Forskolin)	125 mg
Hypothalamus Tissue (Bovine, Argentina)	25 mg
Pituitary Tissue (Bovine, Argentina)	25 mg

Other Ingredients: Vegetable Cellulose (Capsule), Organic Rice Extract, Organic Rice Concentrate

Suggested Use: As a dietary supplement, take 2 capsules daily, or as directed by your healthcare practitioner.

Warning: If pregnant or nursing, consult your healthcare practitioner before taking this product.

TRAACS™

Albion™, TRAACS™ and the Albion Gold Medallion design are trademarks of Albion Laboratories, Inc. U.S. Patent 7,838,042.

Sensoril® vitalizing mind & body

Sensoril® is a trademark of Natreon, Inc. and is protected under U.S. Patents 6,153,198 and 7,318,938.

ForsLean®

ForsLean® is a Registered Trademark and Patented Product of Sabinsa Corporation, U.S. Patent # 5,804,596.

‡Iodine is from Thorvin™ Brand Organic wild harvested North Atlantic sea kelp.
